

# Congratulations!

You have been enrolled in OFFWIRE University's Jump Start Program.

OFFWIRE University's Online Certification Program is a virtual training system offering timely information at your fingertips to help increase overall knowledge in three key areas:

- Industry Knowledge
- Selling Strategies & Techniques
- Product Knowledge

The program consists of over 20 courses designed to teach you the basic skills needed to understand the industry, provide you with up-to-date information on new products and trends and help you increase your sales. This 30-day self-paced program includes password-protected access to the knowledge and skills contained in the learning platform along with a certificate from OFFWIRE issued upon completion.

This workbook is a great resource for you to reference throughout each step of the Jump Start: Online Certification Program.
